

We Are The Young

Children:

We are the young the children of the world.

We hold tomorrow in our hands

All:

We are the young

The promise of a brighter day

The future waits at our command.

Teach us well (teach them well)

Teach us how to care (how to care)

Give us love (give them love)

Love that we can we share (we can share)

And we'll walk hand in hand

In the light of the rising sun. We are the young.

Children:

We are the young, and so we look to you,

To show us how the world should be.

We are the young: we trust in your experience,

To help us shape our destiny.

All:

Teach us well (teach them well)

Teach us how to care (how to care)

Give us love (give them love)

Love that we can we share (we can share)

And we'll walk hand in hand

In the light of the rising sun. We are the young.

All:

That day is dawning when we will be grown.

We will inherit this world for our own.
